"Sonny" Cunha on His Way Here Called by His Father.

SAN FRANCISCO, August 20 .- Alfred Cunha, athlete from golf to football, will leave San Francisco on Wednesday for Honolulu, his father's home, and may not return. This is why Stanford's red has suddenly taken on a blue shading.

Cunha, who played center on Yale's football team last year, returned to California early in the summer. He. then announced that he would remain on the coast and complete his academic education in this State. An athlete weighing 250 pounds, active and vigorous, he was a prize for either Stanford or California. He liked the cardinal, and expressed his intention of making himself a student at Palo Alto and playing on the football team. That was enough. Every mother's son of Stanford was at him, and Cunha was bagged. All this was cardinal joy. Now comes the sorrow.

A few days ago the stout heavyweight who went East for gridiron laurels, received a letter from his father calling him to his island home. Cunha does not know just what to make of it. is that he is wanted in Honolulu. He fears the worst, which means that he will be held in Honolulu for keeps, And Stanford, hearing of this, is sad.
